Warning sign, warning sign,
I see it but I pay it no mind.
Hear my voice, hear my voice,
It's saying something and I hope you're concentrating
I've got money now, I've got money now,
C'mon baby, c'mon baby.
Warning sign of things to come (take it over, take it over)
Someone's talking on my telephone (when we're older,
when we're older)
Hear my voice, move my hair.
I move it around a lot, but I don't care. (what I remember)
Warning sign, warning sign,
Look at my hair, I like the design.
It's the truth, it's the truth.
Your glassy eyes and your open mouth
Take it easy, take it easy,
It's a natural thing and you have to relax,
I've got money now, I've got money now.
C'mon baby, C'mon baby.
Warning sign, of things to come (turn me over, turn me

over)

Love is here but I guess it's gone now (hurry up babe,
hurry up babe),

Hear my voice, move my hair.

I move it around a lot, but I don't care.

Do you remember

What it is that you remember

Baby remember

Baby remember.

The Girls Want to be With the Girls

The girls don't want to play like that,

They just want to talk to the boys.

The just want to do what is in their hearts,

And the girls want to be with the girls.

(CHORUS)

And the boys say, "What do you mean?"

And the boys say, "What do you mean?"

Well there is just no love,

When there's boys and girls.

And the girls want to be with the girls,

And the girls want to be with the girls.

Girls want things that make common sense,

The best for all concerned.

They don't want to have to go out of their way,

And the girls want to be with the girls.

(CHORUS)

And the boys say, "What do you mean?"

And the boys say, "What do you mean?"

Well there is just no love,

When there's boys and girls.

And the girls want to be with the girls,

And the girls want to be with the girls.

Girls are getting into abstract analysis,

They want to make intuitive leap.

They are making plans that have far reaching effects.

And the girls want to be with the girls.

(CHORUS)

And the boys say, "What do you mean?"

And the boys say, "What do you mean?"

Well there is just no love,

When there's boys and girls.

And the girls want to be with the girls.

And the girls want to be with the girls
