Can you see the light,

Can you see the light of need

Shinin' in my eye?

Can you see the light,

Can you see the light of need

Shinin' in my eye?

-

Well, you know I need you baby,

and I sure ain't gonna tell you no lie

-

Can you see the light,

can you see the light of want

Shinin' on my face?

Can you see the light,

can you see the light of want

Shinin' on my face?

Well, you know I want you, mama,

come on, we'll get from this place, now

look out!, yeah!

SOLO # 1

Can you see the light,

can you see the light of love

shinin' from my heart?

Can you see the light,

can you see the light of love

shinin' from my heart?

-

Well, you know I love you, baby,

an' I sure want to give this thing a start

Can you see the light?

-

Can you see the light?

Can you see the light?, say!

Can you see the light, yeah?

-
