Outside my window, I can hear the radio  
And I know that motor wagon's ready to fly  
And it's almost Saturday night  
I'll buy tomorrow, Jody's goin' to the rodeo  
And ya know some good ol' boy's are gettin' ready to ride  
And it's almost Saturday night

Gonna push the clouds away  
Let the music have it's way  
Let it steal your heart away  
And ya know I'm goin'

Outside they're ringin', the night train is bringin' me home  
When you hear that locomotion gettin' ready to ride  
And it's almost Saturday night

Gonna push the clouds away  
Let the music have it's way  
Let it steal may heart away  
And ya know I'm goin'

Outside they're ringin', the night train is bringin' me home  
When you hear that locomotion gettin' ready to ride  
And it's almost Saturday night

Outside my window, outside it's almost Saturday night  
Outside they're ringin, outside it's almost Saturday night

Well, I like it, I like it, I like it, I like it, I li-li-like it, li-li-like it  
Here we go, rockin' all over the world

Well, I like it, I like it, I like it, I like it, I li-li-like it, li-li-like it  
Here we go, rockin' all over the world

Yeah, I like it, I like it, I like it, I like it, I li-li-like it, li-li-like

it  
Here we go, rockin' all over the world

I like it, I like it, I like it, I like it, I li-li-like it, li-li-like it  
Here we go, rockin' all over the world
