"Down & Down"

Baby, started talking crazy
Crazy like from a dream
I'm pointing a finger right at you
And I said baby, "What in the hell
Is that supposed to mean?"

I said, "Honey, do not come any closer
I do not like it when you play this game"
She looked right at me smiled
And said, "Oh daddy, I'm a moth, your the flame"

And I'm gone, down and down
Well, I'm so scared, down and down
And I'm shaking and nervous, down and down
Well, it feels like and I'm going down

That look in your eye got me nervous
Nervous as I can be
'Cause when you look that look
Smile that smile
You scare the hell right out of me

Oh baby, started moaning
And crying from her lips
Come a broken sound
I said, "Lookie here"
