Sally's working at the dunk n dine
Say's she hates but she has a good time
Come in to work drunk on wine
Hash browns and coffee make a man feel fine
Hash browns and coffee make a man feel fine

Texas breakfast two dollars and a dime
Fifty cent tip coming everytime
From truckers who need a little more time
From big long roads and the little white line
Big long roads and the little white line

Whoo hoo
Whoo hoo

Down georgia 3 out by the interstate
Every morning just as sure as fate
The cars old but it's making good time
Sally take a sip from this bottle of wine
Sally take a sip from this bottle of wine

Well you get back to your dunk n dine
Get back to your dunk n dine
You get back to your dunk n dine
Get on back
