You know there's sometimes I just sit around and  
wonder  
'Bout what is and what would ever be  
But you know I'd much rather find myself  
Lost out on the sea nights of mystery

Yeah, there's some people and they grow up crazy  
And there's some people that never bother to grow up  
at all y'all  
I don't worry about any of that shit anymore  
I just listen for my sweet baby to call

She goes here I come I'm gonna talk talk  
All the time about love, love  
Got me a light and it shines just like a diamond  
I never get me enough hoo hoo

Here it comes, comes up again now  
Watch it watchin' on a you and me  
Don't I love, love to be caught out on your sweet  
Nights of mystery, all I need nights of mystery

All I need is one fine moment of intuition and clarity  
Just one fine, fine moment, that's all I'll ever need in  
this life for me  
I got this genius of the heart that shines wild and free  
Don't I love, love to be caught out on your sweet nights  
of mystery

She goes, here I come, I'm gonna talk, talk  
Talk all the time about love, love  
Got me a light and it shines just like a diamond  
I never get me enough, hoo hoo

Here it comes, comes up again now  
Watch it watchin' on a you and me  
Don't I love, love to be caught out on your sweet  
Nights of mystery

On these sweet nights of mystery  
On these sweet nights of mystery

On these sweet nights of mystery
