(tommy rivers, rick richards)

Been around the world but you've never left home
Seems so easy now you're all alone
Can't stop you're running out again

Well times square down to 14th street
You pass a lifetime but there's no relief
Can't stop you're running out
Oh baby, can't you find a way
Oh honey, yeah dry those tears away

? ? ? ? ? such a disgrace
Even the bums just laugh in your face
Can't stop your running out
Try to stop your running out
Can't stop your running out again.
