Wanna slap that stupid grin right off your face  
Now it's time to ... from your ... you're ...  
Then you cast your chips and you ran away  
Thought I try my luck way down in mexico  
Throwing double sevens in an alley in camargo  
Bought a cheap ? ? with my last peso

Chorus:

Shaken not stirred, shaken not stirred  
Shaken not stirred, my heart still ain't ? ? ?

Always took a chance on life, be it wrong or right  
Never had a lucky face, I lead a charmed life  
So take what's mine and leave the rest behind

Chorus x 3
