Wake up, little darlin'
I got some news for you tonight
Wake up, little darlin'
I got my mud boots on and I'm ready to go

I'm workin' at the slaughterhouse
Workin' at the slaughterhouse
Workin' nine to five, keepin' you alive
Work at the slaughterhouse

Bye bye, little baby
Why do you have to bitch so much
Bye bye, little baby
Five pounds of lead keep me way out of touch

I'm workin' at the slaughterhouse
Workin' at the slaughterhouse
Workin' nine to five, keepin' you alive
Work at the slaughterhouse

Hey, bye bye, little baby
Why do you have to bitch so much
Bye bye, bye, bye bye, baby
Five pounds of lead put me way out of touch

I'm workin' at the slaughterhouse
Workin' at the slaughterhouse
Workin' nine to five, keepin' you alive
Work at the slaughterhouse

Well, I'm workin'
Yeah, I'm workin'
Baby, I'm workin'
Workin', yeah
