All of the night you hold out for love.

You give what you have, still that's not enough.

What went wrong?

'Cos now what we share, are too many fears,

Too many secrets, too many years,

Tonight.

Tell me what you dream, at night, while you're sleepin'.

Tell me what you see, at night, in your dreams.

Is it someone else's arms that hold you tight,

Or darlin' is it me?

Tell me what you dream, at night, while you sleep.

Deep in the night you whisper so low.

I lay by your side, I felt so alone,

Alone.

I reached for your arms, you called out a name.

It wasn't my own. It caused me so much pain,

Inside.

Tell me what you dream, at night, while you're sleepin'.

Tell me what you see, at night, in your dreams.

Is it someone else's arms that hold you tight,

Or darlin' is it me?

Tell me what you dream, at night, while you sleep.

Instrumental Break.

Tell me what you dream, at night, while you're sleepin'.

Tell me what you see, at night, in your dreams.

Is it someone else's arms that hold you tight,

Or darlin' is it me?

Tell me what you dream, at night,

Dream, at night,

Oh, baby, dream, at night, while you're sleepin'.

Instrumental fade out
