"When She Cries"

The road I have travelled on
Is paved with good intentions
It's littered with broken dreams
That never quite came true
When all of my hopes were dying
Her love kept me trying
She does her best to hide
The pain that she's been through
(Chorus)
When she cries at night
And she doesn't think that I can hear her
She tries to hide all the fears she feels inside
So I pray this time
I can be the man that she deserves
'Cause I die a little each time
When she cries
She's always been there for me
Whenever I'm falling
When nobody else believed
She'd be there by my side
I don't know how she takes it

Just once I like to make it

Then there'd be tears of joy

To fill her loving eyes

(Repeat chorus)

So I pray this time

I can be the man that she deserves

'Cause I die a little each time

When she cries
