Can't you see that god is omni
I love him and he loves me
No matter what he'll always be there
He teaches us to share and also care

I go to church to learn about him and his word
I don't get why people think it is absurd
Jesus died for our sins and became our savior
It was an act of righteousness and love, it was not a
favor

He had nails through his hands and his feet on the
cross
God gave his son for us...I think that was a big loss
Just remember he wants us to be loving and kind
If you don't he'll kick you in the...(?)...behind

You won't hear a joyfull bell
You'll be sent to depths of hell
