I dream about what could be better  
But my cheeks just keep getting wetter  
I am so tired of standing in the rain  
It's scary being drenched in pain

I think to myself all the time  
What was my crime  
Did I do something wrong  
In these never ending songs

So come on....

(chorus)  
What is love made of  
Where is the forgotten love  
Can we find what's wrong  
Can we all get along

(repeat chorus)

I tried to make everything o.k.  
I tried to find a better way  
But it was too late  
Maybe it was fate

I am not sure anymore  
What life has in store  
My family was sent to a butcher  
Now I don't think we have a future

So come on....

(chorus 2x)

I don't know what to do  
Who am I supposed to go to  
Do I have a destiny  
To change my family

Life can be scary sometimes  
Through these unchanging rhythms

But I can get through it all  
I will get up and stand tall

So come on....

(chorus 2x)

I might not be strong or brave  
But I think this family needs saved  
And I think I can be the one  
To cover the darkness with the sun

I think I can make it better  
Because I am tired of getting wetter  
How do I stay safe  
I have to have some faith

Gotta give it some tiiiiimmmmmeeee

My life is like a file cabinet  
Everything gets put off  
I think I've had it  
Everythings lost

Extra hairy, Unordinary  
Automatic and so dramatic  
This shit is scary  
I tell you I've had it

Ssssoooo.....

(Come on, come on, come on)  
Just bring it

(Come on, come on, come on)  
Just sing it

(Come on, come on, come on)  
Let's hear it

(Come on, come on, come on)  
Let's feel it

Ooohhhhâ€¦..hhooo, hoooo....yyeeaahhh

So come onâ€¦â€¦â€¦. come on

(Come on, come on, come on)  
Just bring it

(Come on, come on, come on)

Just sing it

(Come on, come on, come on)  
Let's hear it

(Come on, come on, come on)  
Let's feel it

So come on
