"Don't Say Good-bye"

You don't know what's going on
You're so unaware
You don't get home until dawn
I guess that is unfair

You sound like you want to die
Just go away and leave us
Is it so wrong to ask why
I don't understand why you fuss

Do you not love us anymore
I just don't understand
Are you closing the door
Do you need a hand

I'm trying not to cry
I wonder why you want to die
Please tell me why
Cuz' I am not ready to say good-bye

But I guess that is not my choice
It is yours
I just hope you'll listen to the right voice
I don't want you to shut the doors
