I am the one you see when you're sleeping  
Around the corners I will be peeping  
It is always scary not to know  
What will happen if I go

Cuz' I see your dreams  
I hear all your screams  
I am always going to be here  
To protect you from fear

I might not always do it the right way  
But I'll try to lead you to the light of day  
Please you don't have to worry or cry  
Believe me this isn't a lie

At time I can be flirtatious  
But now I am trying to be courageous  
I want you to live on  
I've been here all along

Cuz' I see your dreams  
I hear all your screams  
I am always going to be here  
To protect you from fear

But now that you have fallen  
I am the one that is crawlin'  
I figured it out so quit pouting  
I figured it out through all the shouting

I just had to use my imagination  
And make my own creation  
I created something we all need  
Though, at times, it may bleed

Cuz' I see your dreams  
I hear all your screams  
I am always going to be here  
To protect you from fear

I am giving you all of the above

My wisdom, my strength, my courage, and my love  
I hoping you will learn a little  
Learning this is very critical
