It comes to me
In a dream
Across the world
And over the sea

It's here
It's there
It's somewhere
It's everywhere

It has a place
Inside my heart
It's been there
From end to start

It's big
It's small
It's in the dirt
Or behind a wall

In the day
Or at night
It's visible
It's outta sight

It's ugly
It's pretty
It's awesome
It's shitty

It black
It's white
It's dark
It's light

What it is
I don't know
I have to wait
For it to show

Be waiting

Is just the beginning
I don't know
When it will be ending
