My friend is a pain in my ass
She smokes a lot of grass
She has a lot of pain in her life
She takes it all away with a knife

She wants to go see her mom
So she can go hit a bong
She wants to go to Vegas
Cuz' this place is really bogus

People think that she's on the rag
But, in reality, it's cuz her dad's a fag
She can't stay here anymore
Cuz' everyone thinks she's a whore

She listens to Rock 'N' Roll
While she smokes a bull
She is a bit of a pain
Cuz, inside her heart has sunk

My friend is always sad
Cuz' she has a bitch for a dad
It's not the way she wants it to be
She just wants to be free
