Just so you know, your name is shealon
and even though you're really cute
and you like to have a lot of fun
you're a jerk from head to boot

There's a lot to say about you
but i don't know where to start
i guess it's all that you do
you think it's funny when you fart

And you sometimes act like a mut
but we keep on loving you day by day
even though you're mean and you say but
we don't care if you're dumb, stupid, or gay

I just love you for who you are
i know inside you have a beautiful soul
and i know when you grow up you'll go far
and if you don't you'll have to pay the tole

Sometimes your life may hurt
just remember i am here for you
and when you fall in the dirt
i hope you'll find the courage that's inside of you

To not give up no matter what
even though you may feel frightened
because you know in your gut
the day has already brightened
