I finally get done with my essay  
I want to jump up and down  
And scream hip hip horray  
And yet, I am still wearing a frown

I can't even remember what I was thinking of  
And don't worry  
This isn't about love  
I don't know why I'm in a hurry

I hate having finals and tests  
But I know in my heart  
I have to do my best  
All the way to the end from the start

I've been up all night  
I don't want to tell anyone why  
My friend just tried to pick a fight  
Oh, I just want to cry

But I never do  
Because I am strong  
Stronger than you-know-who  
And I know I wasn't wrong

She's just going crazy  
I never know what's going on anymore  
She been a bit lazy  
So I'm just gonna shut the door

This is where it's gonna begin  
I'm finally getting away  
She's not getting in  
This is just the end of a bad day
