Why do I feel so bad
Why am I lonely or sad
Why did I give it all up
I went in a corner and curled up

What is my problem
I feel so lonesome
How do I deal
With the way I feel

(Chorus)
I am giving it all up
The voices will shut up
They'll stop telling me what to do
I want a life that's new
Cuz' this life is something I regret
This is it.....

I just want to quit
Can I, is this it
I need a hand
I don't understand

Why give it to me
And act like I'm free
The take it all away
Like the light from the day

(Chorus)
I am giving it all up
The voices will shut up
They'll stop telling me what to do
I want a life that's new
Cuz' this life is something I regret
This is it.....

What can I do to save myself
I just need a little bit of help
How can I do this on my own
My feelings will never be shown

I just want to live my life
I think that would be tight
To smile and be strong
Then take the path that's wrong

(Chorus)
I am giving it all up
The voices will shut up
They'll stop telling me what to do
I want a life that's new
Cuz' this life is something I regret
This is it.....

I know I can do it
Just wait a little bit
Just give me some time
Let it all rewind

Cuz.....

(Chorus)
I am giving it all up
The voices will shut up
They'll stop telling me what to do
I want a life that's new
Cuz' this life is something I regret
This is it.....

Yeah...this is it.
