To live is to die
To laugh is to cry
To reap sorrow
Is to never see tomorrow

To love is to lose
To hate is to win
And to smile
Is to sin

To stand is to fall
To walk is to crawl
To talk is to be silent
To be gentle is to be violent

To try is to do nothing
To move is to stand still
To feel is to be numb
To be healthy is to be ill

To have is to want
To wisper is to taunt
To be blind is to see
To be locked up is to be free

To walk is to run
To catch is to let go
To have a thought
Is to never know

To be calm is to scream
To wake up is to dream
To be boring is to have fun
To have a lot is to have none

To finish is to start
To create is to learn
To see the light
Is to burn

To forget is to remember

To be January is to be December
To be autumn, winter, summer, and spring
Is to love only what life can bring

To read this is to be dumb
To hear this is to be def
To breath out
Is to hole your breath
