Going in
letting it out.
Wanting to run
Ready to shout

Feeling that pain
and wanting to die.
As life slowly
passes by.

Bring what is
meant to be.
Into the world
for everyone to see.

Finding the strength
inside your heart.
Will keep you
from falling apart.

Smiling at everything
that is wrong.
While singing an
unforgettable song.

This is what you
have to do in life.
And not trying to take
it all away with a knife.

So remember this dream
that I am telling you.
You are special with
everything that you do.
