In the summer nights  
When the moon shines bright  
Feeling love forever  
And the heat is on  
When the daylight's gone  
Still happy together

There's just one more thing I'd like to add  
She's the greatest love I've ever had

Fly on the wings of love  
Fly baby fly  
Reaching the stars above  
Touching the sky

And as time goes by  
There's a lot to try  
And I'm feeling lucky  
In the softest sand  
Smiling hand in hand  
Love is all around me

There's just one more thing I'd like to add  
She's the greatest love I've ever had

Fly on the wings of love  
Fly baby fly  
Reaching the stars above  
Touching the sky

If you just fly (fly baby fly)  
Fly on the wings of love (on the wings of love)  
Reaching the stars above (fly baby fly)  
Touching the sky

Fly on the wings of love  
Fly baby fly  
Reaching the stars above  
Touching the sky

Fly on the wings of love (fly baby fly)

Fly baby fly (on the wings of love)  
Reaching the stars above (fly baby fly)  
Touching the sky

If you just fly on wings of love
