"This is your little yellow radio"
(Listen to my little yellow radio)
"Are you still listening?"

If somebody hears
It's music made me grow
The words of love
The feeling I love so
All the precious songs day after day
The music from the angels anyway

Listening to my little yellow radio
Turns me on
Thrills me so
Listening to my little yellow radio
Wherever I go

And I tune in
To all my favourite stations
If beating hot
So full of expectations
All the songs I love are on my mind
Waiting to release me anytime

Listening to my little yellow radio
Turns me on
Thrills me so
Listening to my little yellow radio
Wherever I go

All the good vibrations are coming through
(All the good vibrations are coming through)
Sounds from generations
I love you

(It's there, it's there, it's there)

Listening to my little yellow radio
Radio
Listening to my little yellow radio
Wherever I go

Listening to my little yellow radio
Turns me on
Thrills me so
Listening to my little yellow radio
Oh my little yellow radio
