All the time I think i's too bad,
She's the same old girl that makes me sad,
Cannot take it any longer, when she's not alone,
And i cannot reach her on the phone.

One woman, two lovers, three losers,
Running scared cause every time she likes to boogie
woogie,
It's hard to bear,
One woman, two lovers, three losers,
Running wild cause every time she puts on her heels,
It's hard to smile.

All the time in my suspicious mind
I can't make it out if she is mine
Why am I the same old rooster, that just starts to crow,
Every time she tells me to let go.

One woman, two lovers, three losers,
Running scared cause every time she likes to boogie
woogie,

It's hard to bear.

Any time I go out of my mind,
It's the same old love that makes me blind,
Has she spent the night alone, that would make me
glad,
She's the greatest love i've ever had.

One woman, two lovers, three losers,
Running scared cause every time she likes to boogie
woogie,
It's hard to bear,
One woman, two lovers, three losers,
Running wild cause every time she puts on her heels,
It's hard to smile.
Running wild cause every time she puts on her heels,
It's hard to smile.
One woman, two lovers, three losers.
