I'm workin' all night, workin' all day,
My job is hard and I can't slip away,
You think it's over, you think we're through,
It's not like that, it just isn't true.

Suzy let us go to the beach,
Where we can stay out of reach,
Just enjoying the sunshine,
Not to make you misunderstand,
I want to hold your hand,
Suzy I won't let you down,
I will always be around,
Please believe it's true, I'm still in love with you.

I need you all night, need you all day,
My life is working many miles away,
A chance to reach you is on the phone,
I hear your voice and i feel so alone.

Suzy let us go to the beach,
Where we can stay out of reach,
Just enjoying the sunshine,
Not to make you misunderstand,
I want to hold your hand,
Suzy I won't let you down,
I will always be around,

Please believe it's true, I'm still in love with you.

Suzy I won't let you down,
I will always be around,
Please believe it's true, I'm still in love with you.

Suzy let us go to the beach,
Where we can stay out of reach,
Just enjoying the sunshine,
Not to make you misunderstand,
I want to hold your hand,
Suzy I won't let you down,
I will always be around,
Please believe it's true, I'm still in love with you.

Suzy let us go to the beach,
Where we can stay out of reach,
Just enjoying the sunshine,
Not to make you misunderstand,
I want to hold your hand,
Suzy I won't let you down,
I will always be around,
Please believe it's true, I'm still in love with you.
