If you go away  
On a summer day  
Then you might as well  
Take the sun away  
All the birds that flew  
In the summer sky  
When our love was new  
And our hearts were high  
When the day was young  
And the nights were long  
And the moon stood still  
For the night bird's song  
If you go away  
If you go away  
If you go away  
But if you stay  
I'll make you a day  
Like no day has been  
Or will be again  
We'll sail the sun  
We'll ride on the rain  
We'll talk to the trees  
We'll fly with the wind  
But if you go away  
When I love you so  
There'll be nothing left  
In the world you know  
Just an empty moon  
Full of empty space  
Like the empty look  
I see on your face  
If you go away  
If you go away  
If you go away  
But if you stay  
I'll make you a day  
Like no day has been  
Or will be again  
We'll sail the sun  
We'll ride on the rain  
We'll talk to the trees  
We'll fly with the wind

If you go away  
If you go away  
If you go away
