STILL

music & lyrics: Gerrit Hofsink

I've been waiting for you  
For such a long time  
You're always on my mind

And I'm lying awake  
Most of the night  
Waiting to hold you tight

Now that I do  
And look at you  
My heart is breaking  
This can't be true

Chorus Lost you before I found you  
Gone before you came  
But I love you just the same  
Missed you before I met you  
On earth we never can  
But in heaven we'll meet again

Close to my soul  
Close to my heart  
Right from the start

Lost in time, lost in space  
Can't wait to see your face

Now that I do  
And look at you  
My heart is breaking  
I know it's true

Chorus

Sometimes I find myself wondering what to do  
With this pain that I'm going through  
But I know one day, God will take me away  
And I'm coming home to you

And when I do  
And look at you  
My heart is healing  
I know it's true

Chorus
