May I be an empty vessel
Washed of guilt and stain
Take this clay pot in Your hands
And mold me once again
For every day or noble use
What e'er Thy will may be
May I be an empty vessel
Fill me

Overflow my cup oh Lord
With Your living water sweet
Quench my thirst
Renew me with Your Holy Spirit Deep
Fill me to the brim once more
And Your vessel will I be
Overflow my cup oh Lord
And pour me

Pour Your Spirit out from me
Wherever there is need
Let me harvest, let me water
Let me sow the seed
For nothing that I do
Compares to what you did for me
When You poured out Your life
'Til You were empty

Empty me now and fill me up
Fill me up Lord and pour me round
Pour me round Lord, empty me now
Your Spirit in, Your Spirit out

Empty me now and fill me up
Fill me up Lord and pour me round
Pour me round Lord, empty me now
Your Spirit in, Your Spirit out

May I be an empty vessel
Ready to be filled
With Your love, Your holiness
Your Peace, Your Grace, Your Will

Only to be used by You
However that may be
May I be an empty vessel
Fill me
May I be an empty vessel
Fill me
