I gave her everything she wanted
Just to keep her by my side
But she wasn't satisfied
Oh no I'd feel so good if she really would
Then I could please her

My arms were reaching out to hold her
And she turned and she walked off from me
Said she wanted to be free
And so I let her go
Although it hurts I know
But she don't need me, I said that
I give her all my love
Said everything I have
Said I give up my love
But the hand don't fit the glove anymore
The hand don't fit the glove

I got find me a way to ease
The sorrow deep down in my soul
Said gotta find me a way to live
Cos the hand don't fit the glove
Said the hand don't fit the glove

Said my arms were reaching out to hold her
And she turned and walked from me
Said she wanted to be free
And so I let her go
Although it hurts I know
But she don't need me
Say it now
I give her all my love
Said everything I have
Said I give her all my love
But the hand don't fit the glove, oh no
The hand don't fit the glove

I said I gotta find me a way to ease
The sorrow deep down in my soul
Gotta find me a way to live
Cos the hand don't fit the glove anymore
Said the hand don't fit the glove

Don't know how to do it
