Yeah, listen baby  
I'll take good care of you  
What will I do I'm gonna sing it  
I'll take good care of you

I let you go, what a fool I was to hurt you so  
But now I know all of the good times big city size  
I had enough of bright party lives  
Well it'll never make up for long lonely nights cos I  
need you  
I need you  
I need you  
I need need you

I'll take good care of you  
said now, What am I gonna do  
I'll take good care of you  
Listen one more

Said now ain't it a crime  
You know I've wasted so much precious time  
So much precious time  
you gave me real love beautiful boy  
I gave you nothing but heart ache and pain  
Baby believe me won't happen again cos I need you  
I need you  
I need you  
I need need you

I'll take good care of you  
What am I gonna do  
I'll take good care of you  
Yeah yeah

Let me take away the pain  
Said let me wipe the tears from your eyes  
Better let me tell you that I need you  
You know I'm always gonna stand by you  
You know the last thing in my life that I'm gonna do is  
lie to you  
You know to tell you that I need you  
You know that I love you darling
