Walk a walk a walk in my shoes  
This type of hurt inside is too much for me  
Just walk in my shoes and you'll see a love, a love that  
used to be  
Try on my heart ache, go ahead try it on for size  
Just walk in my shoes and you'll see a love that was  
hung out to dry

I said what you've done to me  
Said now I fell apart when you walked out  
Just let me get my stuff together anymore  
I need me love that we had, oh baby

Said why don't you Walk a walk a walk in my shoes  
Well I smile a smile that isn't real  
Just Just walk in my shoes and you'll see just how  
broken up I've been  
Try out each new day where the cloak of love is in sight  
no more  
Just walk in my shoes and you'll see just why I let you  
go

Said what you've done to me  
Said I fell apart when you walked out  
Just let me get my stuff together anymore  
I need me love that we had, oh baby

Said why don't you Walk a walk a walk in my shoes  
Gotta try them on for size  
Come on what you gonna do, just keep on keep  
Walk a walk a walk in my shoes  
Said you gotta walk  
Come on why don't you keep on walking  
Walk a walk a walk in my shoes  
You gotta walk them, oh come on
