I often wondered about the past  
Wondered if our love was going to last or end  
Rumours described in a way to me  
Makes it easy to see that they would bend I was shy  
could lend one penny to spend on feeling I hide from  
you  
No matter what I did or tried to do  
Oh any anytime to you, oh no

And when I'm looking into your eyes  
Am I too blind to see that you can see me  
Woah oh oh, You see me  
Ay ay ay

Now that you've found out what caused an end  
It it foolish but I call you just a friend  
Oh but it's in disguise in a way to me  
But you make it so easy to see  
I could just be the one that you see  
I tried to describe the things  
I know there's no chance that we might meet again

And when I'm looking into your eyes  
Am I too blind to see that you can see me  
Woah oh you see me, no no no  
I can't waste no time, I wish I could lend  
One penny to spend on those feelings that I stop  
and hide from you, I stop, I'm really gonna let you see  
Woah, I ever ever ever ever I know

I feel my health is falling  
Feel life is most appalling  
Then I find you there but  
Woah, helps alright  
I said baby I'm alright  
I said oh oh I'm alright  
I'm alright, I'm alright  
I'm all, I'm all, I'm alright  
Baby I'm alright if it's alright with you

I know there's nothing you can do anymore  
Oh, oh, oh
