Something's gotten hold of my heart  
Tearing my soul and my senses apart  
Something's gotten into my life  
Cutting its way through my dreams like a knife

Turning me up and turning me down  
Making me laugh and making me frown  
In a world that was strong  
I would lived in a time with no peace or no trouble at all

But then my way  
And a feeling I know, shook my heart  
And I want you to stay  
All of my nights and all of my days

Something's gotten hold of my heart  
Tearing my soul and my senses apart  
Something's gotten into my life  
Cutting its way through my dreams like a knife

Changing the gray to a depression blue  
Scarlet for me, it's scarlet for you

Got to know if this is the real thing  
I've got to know what's making my heart sing, oh, yeah

Turn around, I am lost for a lifetime  
Each minute spent with you is a lifetime  
Every hour, every day  
You touch me and my mind goes astray

Baby, gotta tell you something's gotten hold of my  
heart  
Tearing my soul and my senses wide apart  
Something's gotten right into my life  
Cutting its way through my dreams like a knife

Changing the gray  
Changing the blue  
Scarlet for me  
It's scarlet for you
