Where did you go when things went wrong now baby?
Who did you run to and find a shoulder to lay your
head upon?
Baby, wasn't I there, didn't I take good care of you?
Oh no, I can't believe you're leaving me

Stay with me, baby, stay with me, baby
Stay with me, baby, I can't go on

Who did you trust when you needed tenderness?
I gave you so much and in return I found happiness
Baby, what did I do? Maybe, I was too good to you
Oh no, I can't believe you're leaving me

Remember, you said you'd never, never leave me
Remember, you said you're always gonna need me
Remember, remember
I'm askin' ya, beggin' ya, please, please

Stay with me, baby, stay with me, baby
Stay with me, baby, I can't go on
