If I had met her
wearing this sweater
I would feel better
than I do today

She would deplore me
'cause I'd be standin'the doorway
come out to play and
I will show you the waves in the sea -ee-ee-e
then you could pine for me not - e-e-e-ee
walk out and follow me

Oliver's daughter
loved visiting water -
walked out of the water
and I got caught out of the hand
meander my head filled with thunder
like a peal of bells falling out of the sky - aye -aye -
ayeaye
something peculiar I espy -
aye -aye -ayeaye
good thing I did not lie

to the sea...
follow me...

If I had met her
wearing this sweater
I would feel better
than I do today

Ignore me
stand in the doorway
come on out and
I will show you the waves in the sea -ee-ee-e
follow me
I would show you the waves of the sea...
