[CHORUS]

(Tony Tone) Comin' up in the hood, we desperate,
hustlin' everyday

(Boogy Nikke) Cross me and you die; it's very
necessary

(Tony Tone) And if you die, realize you asked for this
(Krayzie Bone) That nigga's never comin' back no more

(Boogy Nikke)

I was known for temper-tantrums, comin' up as a little
nigga

fuckin' suckas up for love of disgust

but when them chumps be runnin' their mouth
tryin' to come real loud to ???

Never faded a nigga once, and twice is just nice

If you like, I got the balls to say this bigger nigga in
charge

I got my clip for extra hip, for them suckas that slip

Niggas better realize in a situation, cross me and you
die

Better you than me, nigga, can't you see?

(Mo! Hart)

Cross me and you die motherfucker that's how I feel
About ready to get the ??? milli to show you hoes my
wetting skills

I'm just that little nigga you don't want to ever see

Leavin' you bitches in puddles of blood, nigga, what?

Bailin' and sweating

Dodgin' po-po, 'bout to get my shit

Load up another clip

Red beam, now your ass is hit

Murder, no murder, bloody blood

As the dead bodies die they just shoot 'em up

Breakin' necks, ha ha. I got 'em. I got 'em

[CHORUS]

(Tony Tone)

I'm loadin' my pistol, I'm aimin' to kill ya

With a hollow point tip that'll feel ya

By rippin' your chest, a nigga was pressed
For my guns, but a nigga straight picked ya
So I send him straight to hell, his soul will dwell
In the place of darkness, running in circles
Bailin' with curses
I'm givin' up no mercy for the test
Your death was bloody mess
Shoulda seen his face when he hit the dirt
Much hurt, bet it hurt
For fucking with a nigga that put in so much work
And my soldiers, we roll when the gunshot blow
Won't play me no more
I'm Tony Tone, you wonderin' why you fry
You cross me and you die
[die, die]

(Preacher)

If the wicked man turns away from evil
and does what is just and right, he will surely live
and shall not die, but for those who cross me,
you will know my name is the Lord.
When I lay my vengeance upon thee

[CHORUS]
