

Getaway Car, The "Breaking Down"

Everything's falling in
You want them to notice you
Now I know where I fit in
Conclusion, I'm losing

Up and down and in between
You were the one that was always there for me. for me
I can make it on my own
I'm breaking down, I'm breaking down
I can't say what's right or wrong
I'm breaking down, I'm breaking down again

Now I see that things have changed
Faded, eluded time
No excuse will ever last
Today is forgotten

Everything's falling in
Conclusion, I'm losing
I can make it on my own
I'm breaking down, I'm breaking down
I can't say what's right or wrong
I'm breaking down, I'm breaking down again
