If I've learnt anything from this,  
It would all be gone, it would all be gone  
And I'll take away your breath.  
Just to turn me on, yeah you turn me on.

Down where the city meets the sea  
I sit and daylight speaks to me  
She carries me away  
Oh yeah...

I'll find my way  
Would fall from grace  
With the little piece of you that's left in me

But then it's 1, 2, 3 and you're back to me,  
And all the pieces fit together oh so perfectly  
Enough to take me home  
Just take me home...

If I've learned anything from this,  
It would all be gone, it would all be gone  
And I'll take away your breath.  
Just to turn me on, yeah you turn me on.

We'll find our way  
We'll leave this place  
With the little piece of me that's left in you

But then it's 1, 2, 3 and you're back to me  
And if you hear me loud and clear then what's the  
problem dear?  
Why won't you take me home?

If I've learned anything from this,  
It would all be gone, it would all be gone  
And I'll take away your breath.  
Just to turn me on, yeah you turn me on.

Down where the city meets the sea  
I sit and daylight speaks to me  
She carries me away...

Just take me home  
Why won't you take me home?

If I've learned anything from this,  
It would all be gone, it would all be gone  
And I'll take away your breath.  
Just to turn me on, yeah you turn me on.

Down where the city meets the sea  
I sit and daylight speaks to me  
She carries me away...

Cause' down where the city meets the sea  
I sit and daylight speaks to me  
Yeah, daylight speaks to me...
