I'm askin' you what can I do

How can I win your sympathy for me?
You're lookin' good just like you should -
You're lovin' girl
that's all I want to be.
You can be poor
you can be rich -
All day
all night you're in my fantasy -
My words are true
don't make me blue

My heart is full
is full of extasy.

Inside it burns a painful burn

Can't stand no more that hot desire.
All day
all night - just hold me tight

I'll die for you but I just want you be mine.

You are a part of my heart
you are a part of my heart

Even when the world turns around

Or even if one day turns one of those badly cards -
You are a part of my heart
you are a part of my heart

I will always be by your side
so don't hesitate too long
Let's make a brand new start. - you are a part of my
heart.

It's like a chain drives me insane
I feel my blood like electricity.
And ev'ry day and ev'ry hour I'm without you

It's like eternity.
I'm feeling tall
I'm feeling small

Dance on a wire
I'm hanging by a thread.
My words are true
don't make me blue

'cause without you I'll swear I'll lose my head.

Inside it burns a painful burn

...

You are a part of my heart
you are a part of my heart

...

Forever
forever
forever
I'll stay with you forever
And ever and ever
this is the truth and never and never
And never I'll never let you down
down
down
down.
'cause you're a part of my heart.

You are a part of my heart
