Ooh yeah, ooh yeah...

Walking, always over windows,

Weeping willow wind blows,

You are not alone.

Watching, for the sign it's reading,

Overtime i'm thinking,

You are not alone.

Ooh yeah...

In time, you will find your Heaven sent

With my ass on the line

The sign is reading overtime

I'm thinking you're Heaven sent

You're sent

Ooh yeah...

Waiting in a patient limbo,

Wanting only to know,

This is my way home.

Wading through overflowing reason,

Can't contain the feeling,

This is my way home.

Ooh yeah...

In time, you will find your Heaven sent

With my ass on the line

The sign is reading overtime

I'm thinking you're Heaven sent

Oh oh oh...

With my ass on the line

The sign is reading overtime

And I'm thinking you're Heaven sent

Sent, oh oh oh...

You're Heave sent

You're Heave sent

You're Heaven sent to me

You were sent to me

You're Heaven sent

You're Heaven sent

You're Heaven sent

It was meant to be

You're Heaven sent

You're Heaven sent

You're Heaven sent to me

You were sent to me

With my ass on the line

The sign is reading overtime

And I'm thinking you're Heaven sent

Sent, oh oh oh...

With my ass on the line

The sign is reading overtime

And I'm thinking you're Heaven sent
