Whats the point in trying to look ur best

when you know the 1 u want

never looks in ur direction

he just stares at the 1

he's wanted all along

As u fall 2 the ground u write a nutha f***en love song

for him

And whats the point in tryin 2 b his 1

when u know its all messed up

This isnt fun

And u stand in the background

and try to get up the nerve

But ur in the corner out of focus and your blurred

again

Whats the point in trying

Whats the point in trying

Whats the point in trying to be his 1

When u know its all f***ed up

And this isnt fun

And u stand in the background

and try to get up the nerve

But ur in the corner out of focus and your bluured
again

Whats the point in trying

Now whats the point in trying

Oh whats the point in trying

Whats the point in trying
