Superman, supergirl - show me your stuff

Take a bow at the world.

The bouquet is hot, watch out Superman

Show me your stuff...

And if I didn't care do you think I'd still be here.

Do you really believe what you feel is what you thief?

an' there's one more thing...

Superman, supergirl - show me your stuff

Take a bow at the world.

The bouquet is hot, watch out Superman

Show me your stuff...

Do you want me to fall behind, 'cause if that's so I
wouldn't mind

Do you want me to fall, or should I never go?

And there's one more thing...

Superman, supergirl - show me your stuff

Take a bow at the world.

The bouquet is hot, watch out Superman

Show me your stuff...!

Could you be my could you see my would you be my
Superman

Could you be my see my Superman...

Could you be, could you be, my Superman
