Bell bottom blues, you made me cry  
I don't want to lose this feeling  
And if I could choose a place to die  
It would be in your arms

Do you want to see me crawl across the floor?  
Do you want to hear me beg you to take me back?  
Lord I'd gladly do it because  
I don't want to fade away  
Give me one more day, please  
I don't want to fade away  
In your heart I want to stay

It's all wrong, but it's all right  
The way that you treat me baby  
Once I was strong but I lost the fight  
You won't find a better loser

Do you want to see me crawl across the floor?  
Do you want to hear me beg you to take me back?  
Lord I'd gladly do it because  
I don't want to fade away  
Give me one more day, please  
I don't want to fade away  
In your heart I want to stay

Do you want to see me crawl across the floor to you?  
Do you want to hear me beg you to take me back?  
Lord I'd gladly do it because  
I don't want to fade away  
No, no, no, give me one more day, please  
I don't want to fade away  
It's in your heart I want to stay

Bell bottom blues, don't you say goodbye  
Surely gonna meet again  
And if we do, don't you be surprised  
If you find me with another lover

Do you want to see me crawl across the floor to you?  
Do you want to hear me beg you to take me back?  
Lord I'd gladly do it because

I don't want to fade away  
No, no, no, give me one more day, please  
I don't want to fade away  
In your heart I want to stay

I don't want to fade away  
Give me one more day please  
I don't want to fade away  
In your heart I wanna to stay  
I don't want to fade away  
Give me one more day please  
I don't want to fade away  
I'm in your heart and that's where I long to stay
