Just In Case lyrics

Outside the sky is blue  
Always try to do my part  
But now it's raining in my heart  
There's just so much I can do  
It's really got ahold of me  
It's why i feel so incomplete  
If life's a broken band  
Only i would understand  
I'll be more than glad to join right in  
If only I could pray,  
I know what I would say  
To whom it may concern

Just in case I dont make it to heaven  
I'd like to personally thank you for givin'  
Somethin' so beautiful  
That makes life worth livin' ,yea  
Thank you just in case I

I'm trying once again  
But everytime I try to talk to you,  
It's like I never seem to get through  
I never have the strength to ever put my faith in you  
Maybe I should just realize,  
I don't deserve you in my life  
They say it's in your hands,  
That everythings just like you planned  
It's good enough for them, so why not me  
If only I could pray,

I know what I would say...  
Dear god i'm talking to ya

Just in case I don't make it to heaven  
I'd like to personally thank you for givin'  
Somethin' so beautiful  
That makes life worth livin' ,yea  
Thank you just in case I

Soon enough the time will come

The hours getting late  
The sun is settin' fast and  
You'll be standing by the gate  
I'm sure your gonna say to me..  
(SON WHY), couldnt you just relate  
I'll say to tell you the truth, You know I already do  
In so many other ways

Just in case I don't make it to heaven  
I'd like to personally thank you for givin'  
Somethin' so beautiful  
That makes life worth livin' ,yea  
Thank you just in case I  
Just in case I don't make it to heaven  
I'd like to personally thank you for givin'  
Somethin' so beautiful  
That makes life worth livin' ,yea  
Thank you just in case I.....  
I don't make it
