Tesla-Love Song

So you think that it's
over Say your love has
finally reached the
end
Anytime you call Night
or day I'll be right
there for you
If you need a friend Yeah
It's gonna take a little time
Time is sure to mend
your broken heart
Don't you even worry
Pretty darlin'
I know you'll find love again

Yeah
Love is all around you
Love is knocking outside the
door
Waitin' for you Is
this love made just
for two
Keep an open heart and
you'll find love again
I know
Love is all around you yeah

Love is knocking outside the
door
Waitin' for you Is
this love made just
for two
Keep an open heart and
you'll find love again
I know

jump around.....

Love will find a way
Darlin' Love is gonna find a way

Find it's way back to you
Love will find a way
So look around
Open your eyes
Love is gonna find a way
Love is gonna
Love is gonna find a way
Love will find a way
Love's gonna find a way
Back to you Yeah
I know
I know
I know
I know
