(Keith, Luccketta, Skeoch)

I'll be lovin' you come morning, day to day, dust to  
dawn  
Feelin' you're the reason I won't be leavin' so  
Love you in the evening, supper time and afternoon  
Your days of happiness beside the month of June

Ooh, don't want my yesterday, to wake me up, slap me  
in the face  
Ooh, don't let my yesterday, wrap you up and carry you  
away  
Ooh I need your lovin', without you baby love don't  
mean nothing  
Oooh I need your lovin', 's got to be your lovin' or  
nothing

January, and in March, February, June  
Any day beside of that couldn't be too soon  
My life without you babe is a heart that's torn  
Season of love for you, storm without a warn

Ooh, didn't want my yesterday, woke me right up, and  
slapped me in the face  
Ooh, you let my yesterday, wrap you right up and carry  
you away  
Ooh I need your lovin', without you baby love don't  
mean nothing  
Oooh I need your lovin', 's got to be your lovin' or  
nothing  
Took all my yesterdays of sorrow, and threw them all  
away  
Took all that I could take, or could borrow  
'Cos today's yesterday, today is yesterday's tomorrow -  
whoa!

[Solo]

Ooh, go away my yesterday, can't take that much, I'll  
look it in the face  
Ooh, wish all my yesterdays, would've packed it up and  
carried it away

Ooh I need your lovin', 'cos without you baby love don't  
mean nothing  
Oooh I need your lovin', 's got to be your lovin' or  
nothing - whoa!

Ooh, ooh, ooh yeah, it's your love or nothing  
Ooh, all I've got to say it must be your love or nothing
