**If there's always tomorrow,
when will I be born mommy huuuuuu**
**If there's always tomorrow,
when will I be born mommy huuuuuu yah**

O Baby you don't know anything about this world
this world is crucial world , you know
I 'm too young, I'm a school girl you know
Your father is bastard , he left me
I didn't support anything
So what to do now
I'm studyin right now,
Plz don't disturb me anymore ok?
I'm working right now,
So don't call me mommy mommy in front the people
ok?

O Mommy Mommy , I just wanna see your face
O Mommy Mommy , I just wonder how beautiful you
are
O Mommy Mommy , I just wanna breathe the air
O Mommy Mommy , I just wanna be the for you
O Mommy Mommy , I just wanna go to school
like the other children
