(Clock ticking)

[Chorus: Poshion]

Time (time will reveal) will reveal (time will reveal)  
It all (it all), it all (it all)

[Mo! Hart]

I'm hearin' voices all the time in my head  
everywhere I go, so it seems that I'm confused on what  
to do  
Are you helping me choose right from wrong?  
Are you tryin' to help me?  
Show me the way  
Please just don't scare me  
The path I've chosen is the right one  
Let me know, since you're long gone  
I ask myself are you my angel?  
Am I on the path you intended for me to take?  
Prepare me now, 'cause my very future is at stake  
Please help me, my angel

(Chorus)

[Tony Tone]

You know time will reveal it  
Tell the truth, so whatever's done in the dark shall  
come to the light  
Everybody seems to lie on us, and that ain't right  
Playa, better get your life together  
Stay out of mine, 'cause in due time you'll find  
That my life's at a rapid climb to the top  
And I won't stop, and it ain't no fallin' off  
I'm here to stay no matter what you say  
So hate me, hate me 'til I'm in my grave, baby  
Poetic's here, so how you feel?  
I'm on the other side  
God works in mysterious ways  
Time has revealed

(Chorus)

[Boogy Nikke]

Come and feel the journey

Only time will reveal if you let time heal your wound

They say what goes around always come back around

And around, but if you do it right, nothin' can touch us

?, if all them bustas, time gon' pin it

'Cause I never did feel it, you so-called soldiers

Comin' from around and get erased from your trunk

Partner, be watchin' and waitin', anticipatin' your move

Get loose if you want to

You know who rules

We do, Mo Thug - we soldiers for the Lord, not you

(Chorus)
