Get up, let's go, ow! Yeah  
Feeling so [proud], they rip your ears out in the danger  
zone  
I'm at a loss, I can't get across on the telephone, no  
If I need some sympathy, would you come to help me?  
I want you to tell me it's all right with you  
And I'll be there to see you, if you want me to  
I never really thought I could feel this way  
Well I feel this way is here to stay  
You're leaving your mom, you're breaking her heart,  
maybe even so  
Well look what she's got, I can't get it on, what if I w-w-  
w-wake up  
If I need some sympathy, would you come to help me?  
I want you to tell me it's all right with you  
And I'll be there to see you, if you w-w-w-want me to  
Never really thought I could feel this way  
Yes I feel this way is here to stay  
(Solo)  
I want you to tell me it's all right with you  
And I'll be there to see you, if you want me to  
I never really thought I could feel this way  
Well I feel this way is here to stay  
Well I never really thought I could feel this way, oh no  
Well I never really thought I could feel this way  
F-f-f-feelin' this way, I'm feelin' this way, yeah  
Feelin' this way, oh no, feelin' this way, yeah  
Feelin' this way - I said I wanna make you feel - feelin'  
this way,  
yeah  
Feelin' this way, oh yeah yeah, I'm feelin' this way  
I'm feelin' this way
